

Living It Up

Annual report for year end 31st December 2024

We supported 465 people through our services and had the support of 74 volunteers

St Cuthberts Hall was hired out for 665 hours

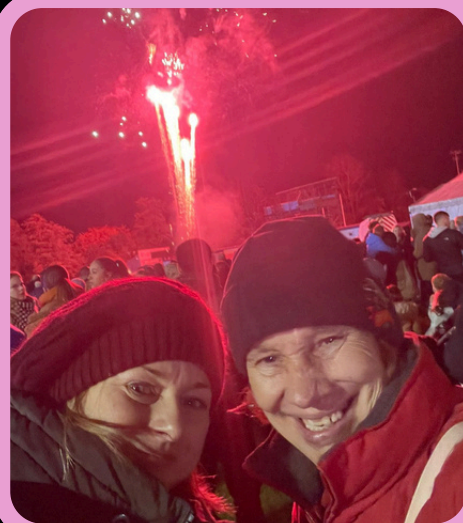

The Performing Arts Centre is one of the most fun places to attend. It's such a creative environment and it's so amazing to see people grow in that way. It nurtures people's individual talents and skills and allows people to build confidence and have some super cool opportunities.

The Performing Arts Centre supported 72 people over 1170 hours

I don't know who gets the most out of Gig Buddies, my Gig Buddy or me. We both enjoy our friendship and outings immensely. I wouldn't go out nearly as often without our monthly trips.

Participants of Gig Buddies averaged 804 hours of support, either through support from their Gig Buddy or attending the monthly socials

Members of our Gr8 Mates service averaged 24 hours of support from our staff

Members of the Events service averaged 24 hours of support per person from staff and volunteers
